

LOS ANGELES COUNTY COMMISSION FOR WOMEN

Crafting our Vision: We can't Do It Without YOU!

History, research and even common sense have affirmed that nations, neighborhoods and families thrive when women and children are cared for. Our Commission strives to meet the needs of women and girls throughout our county. With such a huge geographic area to deal with, in addition to socio-economic and cultural diversity, it is impossible to address the issues of every woman. On the other hand, it is imperative that our Commission focuses on issues that unify our actions as well as support the needs of our five supervisorial Districts. On March 10, 2014 we celebrated the accomplishments of 12 strong intelligent and determined women of Los Angeles County. Please take a few minutes to complete our survey and submit via email to LACCW@bos.lacounty.gov or fax: (213) 633-5102 by **April 11, 2014**. Do not put your name on this form.
